Thomas J. Leipzig, M.D.
Board Certified
Neurological Surgeon

Thomas J. Leipzig, M.D., received his bachelor's degree from the University of Notre Dame, graduating Summa Cum Laude. He received his medical degree from the University of Chicago Pritzker School Of Medicine where he was elected into the Alpha Omega Alpha medical honor society. He completed his internship and residency in neurological surgery at the University of Chicago Medical Center.

He has been on the staff of Goodman Campbell Brain and Spine (formerly Indianapolis Neurosurgical Group) for over 25 years and served on its board of directors.

He specializes in degenerative spine disorders as well as brain tumors and other neurovascular disorders. He has published and lectured extensively on neurosurgical topics. He is a clinical assistant professor of neurological surgery with Indiana University School of Medicine.

Dr. Leipzig is a member of the American Association of Neurological Surgeons (AANS) and the Congress of Neurological Surgeons. In his role with AANS, he is director of the "Weekend Update: Interactive Review of Clinical Neurosurgery by Case Management" and serves as faculty for the AANS' "Neurosurgery Review by Case Management." He was president of the Neurosurgical Society of Indiana from 1998-2000. Dr. Leipzig was a founding member of the Indianapolis Stroke Coalition and served on its board of directors for several years.

Dr. Leipzig and his wife live in Indianapolis and have three daughters. In his free time he enjoys golf, cross country skiing, and traveling with family and friends.
