

Car Seat Resources

*Please Note: Car seat inspections are not done as part of your postpartum stay and are not available on the Family Care Unit.

Do you need an infant car seat?

St. Vincent Women's Hospital Indianapolis has car seats available for purchase in the Perinatal Support Services Office. The office is located at 8091 Township Line Rd, Suite 201 (attached to the hospital). Office hours are Monday-Friday 8:00am – 4:00pm. For questions, call **317-415-7822**. Payment is due at time of purchase. All forms of payment are accepted. We presently stock the Evenflo Embrace, Chicco KeyFit and Graco Assura infant car seats. Fabrics/patterns shown are not guaranteed and are subject to change at any time.

The **Evenflo Embrace**, pictured at left, fits children from **5 – 22 lbs.** This car seat comes equipped with a 5-point harness, CarryRight "Z" handle and Stay-in-Car PositionRight base. The cost for the Embrace is **\$60.00**.

The **Chicco KeyFit**, pictured at right, fits children from **4 – 22lbs.** This car seat comes equipped with one-hand harness adjustment, full-body newborn support pad & headrest, comfort-grip carry handle, multi-position canopy, 5-point harness with shoulder/neck pads, enclosed base with storage, spring-loaded leveling foot, bubble level guides, one-pull LATCH tightening and fits into the Chicco C₂ or Cortina strollers. Additional bases can be purchased through the manufacturer and some retail stores. The cost of the KeyFit is **\$120.00**.

The **Graco Assura**, pictured at left, fits children from **Birth – 22lbs.** This car seat comes equipped with a 5-Point harness system with push button buckle and Easy-Lace™ harness adjustment, machine washable fabric pad, level indicator for proper installation angle, LATCH equipped for easy installation, two crotch strap positions (5-1/2" and 7-1/4"), three harness heights (7", 9" and 11"). This car seat does not come with a stay-in-car base and is not adaptable to one. The cost for the Assura is **\$45.00**.

Car Seat Safety

Did you know that motor vehicle crashes remain the leading cause of injury-related deaths among children ages 14 and under? Nine out of every ten child safety seats are misused in Indiana which mirrors national trends. Of those that are misused, 80% of the parents felt that their child safety seat was correctly installed.

The Automotive Safety Program has established a network of Permanent Fitting Stations. Permanent Fitting Stations are places where parents/care-givers can make an appointment to have their child safety seat inspected by a nationally certified child passenger safety technician. The technician will offer the latest information and provide instruction on how to properly install the child safety seat. Permanent Fitting Stations are located in more than 60 locations across Indiana.

St.Vincent Women's Hospital Permanent Fitting Station

We know your child's safety is important to you, so St.Vincent Women's Hospital offers car seat inspections at the Indianapolis campus. The St.Vincent site is grant funded by the Automotive Safety Program for 10 hours of inspections per month. Inspections are done by appointment only and are free of charge unless it is determined that a replacement seat is needed. Inspections last approximately 30 minutes per child/car seat. Spots fill quickly so please call early. For more information or to schedule an appointment, please call 317-415-7447.
