Jayne Harvey is a Marymount College graduate with a Bachelor of Science in Nursing. She has been a Registered Nurse (RN) for 38 years. During that time, Jayne has served as a nursing instructor, home health case manager, rehab department director, as well as previous clinical liaison positions. She joins St.Vincent Seton Specialty Hospital as a Clinical Liaison and External Case Manager.

Jayne's favorite part of being a Seton Clinical Liaison and Case Manager is establishing long-term relationships and being able to educate patients and families as to the level of care that a long-term acute care hospital (LTACH), like Seton, is able to provide.

In her spare time, she enjoys volunteering and attending parent support functions, as well as other activities for her sons (Stuart – 19, Scott – 17). Jayne also enjoys reading, running, aerobics and dancing.
