

**St. Vincent Health / St. Joseph Hospital
Radiography Program
Written Essay
2010**

On a separate sheet(s) of paper, please provide a one to two-page essay on the topic identified below. This written essay is a requirement for consideration and will be evaluated closely by Admissions Committee. Your opinion in this matter will **not** effect your consideration for admission into the Radiography Program.

Topic

Should health insurance providers be allowed to charge higher premiums based on risky lifestyle choices such as smoking, alcohol consumption, obesity, etc?
