

The Spirit of Caring is alive at St. Vincent, represented by the three doves of our logo, flying proudly in an integrated formation, depicting the three aspects of holistic healing – body, mind and spirit. We strive to deliver to our patients and families extraordinary patient care every day, with the three doves as our guiding symbol.

As a member of Ascension Health and St. Vincent Health, we are called to:

Service of the Poor

Generosity of the spirit for persons most in need

Reverence

Respect and compassion for the dignity and diversity of life

Integrity

Inspiring trust through personal leadership

Wisdom

Integrating excellence and stewardship

Creativity

Courageous innovation

Dedication

Affirming the hope and joy of our ministry

All offices are accepting new patients.

THE SPIRIT OF CARINGsm

What are you looking for in a physician?

Expert advice from someone who values listening? A compassionate professional who cares for all of you—body, mind and spirit? Or simply a good doctor who's convenient to home, work or school?

A St. Vincent Primary Care Network physician offers you all of this, and so much more.

From family practice to internal medicine to pediatrics, this group of doctors is ready to meet your healthcare needs. And most importantly, they're your access to the full range of services provided by a hospital most preferred by patients in Central Indiana for six consecutive years.

This directory will help you locate a St. Vincent Primary Care Network physician in your area. But should you need additional information at any time, please call us at (317) 356-CARE (2273). Our Care Line representatives can provide you with a profile about the physician whom you are considering. The profile includes more specific information on the physician, his practice and special medical training free of charge. Call anytime from 8:30 a.m. to 7:00 p.m., Monday through Friday to request your free profile.

If you need care for your family after your doctor's office hours, or haven't decided on a Primary Care Physician, we encourage you to visit the St. Vincent Immediate Care Center.
