Samantha Walker is an Indiana State University graduate with hopes to attend law school in the future. She has been a Registered Nurse for 13 years and is a Certified Case Manager. She joins St. Vincent Seton Specialty Hospital as a clinical liaison.

Samantha's favorite part of being a clinical liaison is the interaction she encounters with staff, patients and families that aid in meeting the medical needs of the patient.

In her spare time, she enjoys spending time with her family, playing racquetball, watching movies, writing and traveling.
