iHealth: *Access to your personal health record has never been easier.*

Welcome to iHealth. As a St. Vincent Physician Network patient, you now have secure and confidential on-line personal health record access, at no cost, in one location.

Use iHealth to consolidate your medical history, medication list and insurance information. You can access your health information anywhere you or your family have Internet access. In addition, you can enjoy exclusive access to your medical practice:

- Request appointments
- Renew prescriptions
- Receive lab results
- Ask non-urgent questions

To set up your personal on-line medical health record please go to <http://ihealth.stvincent.org> and click on your physician's name.
