The Spirit of Caring is alive at St. Vincent, represented by the three doves of our logo, flying proudly in an integrated formation, depicting the three aspects of holistic healing — body, mind and spirit. We strive to deliver to our patients and families extraordinary patient care every day, with the three doves as our guiding symbol.

As part of Ascension, we are called to:

Our Loyal Donors Make Excellence Possible

For over a century, St. Vincent Kokomo has delivered faith-based health care to the community. Our physicians and associates are committed to providing quality and comprehensive health services while caring for the whole person - body, mind and spirit - in a healing environment. Our tradition of offering excellent care would not be possible without another equally significant St. Vincent Kokomo tradition: *the dedication and contributions of our loyal donors.*

The St. Vincent Kokomo Foundation was established in 1973 to administer charitable contributions for the hospital in support of its programs. Today, it has become an important source of funding for critically needed equipment and services. Through your generosity, the foundation will continue to support the highest level of compassionate care and technology for our community. Your gift will help us change lives and make a positive difference in the vital health care services we offer.
