Commemorative Baby Wall Tiles
Proceeds Benefit St. Joseph Hospital Birthing Center
Tiny Miracles Wall

The Tiny Miracles Wall is located on the third floor of St. Joseph Hospital near the Birthing Center. The wall will contain tiles that will celebrate the life of new births, and pay tribute to babies who have passed away. For a $125 tax-deductible donation to the St. Joseph Foundation you will be able to purchase a tile.

Remembering a Precious Life

Memorial tiles on the Tiny Miracles Wall serve as a reminder of life’s beauty and its frailty. Each memorial tile is adorned with an angel and may include the child’s name and date of birth.

Honoring a New Birth

The birth of a baby is an amazing and wondrous event. At St. Joseph Hospital we are proud to have been a part of your precious memories and honored to celebrate the joy of new life with you. A personalized tile will feature a beautiful etching of your baby’s name and birth date, along with blue or pink footprints. Additional tiles may be purchased to recognize the births of other children.

Your Gift Helps Future Babies

With a tax-deductible donation of $125 or more, parents, grandparents, family and special friends have the opportunity to commemorate and celebrate the birth of a baby on our Tiny Miracles Wall. Your contribution not only shows appreciation to the nurses, physicians and staff at St. Joseph Hospital, but also benefits the care of future babies. One hundred percent of your tax-deductible contribution will benefit the Birthing Center at St. Joseph Hospital.
